

## SB 205 Stormwater Discharge Compliance

Senate Bill (SB) 205, signed by Governor Gavin Newsom on October 2, 2019, requires a person or entity who conducts a business operation that is a “regulated industry” to demonstrate enrollment with the National Pollutant Discharge Elimination System (NPDES) storm water permit program. By providing specified information on an initial or renewal City business license application, enrollment in the NPDES permit program can be confirmed. The goal of the permit program is to increase the number of compliant industrial facilities and reduce the spread of pollutants in storm water associated with industrial activities.

SB 205 does not affect all businesses. Only those businesses with primary Standard Industrial Classification (SIC) codes identified by the State Water Board as requiring enrollment in the Industrial General Permit (IGP) are affected. The questions below will guide you and the City in determining if your business requires enrollment in the IGP. **Completion and submission of this form is required when applying for an initial City business license or for license renewals.**

<b>1</b>	<p><b>What is the physical location/address of this business?</b>  <b>Complete a separate SB205 Compliance Form for each physical location/address in City of Irvine.</b></p>	
<b>2</b>	<p><b>What are the primary Standard Industrial Classification (SIC) codes for this business location?</b> Look up your SIC Codes here: <a href="https://www.osha.gov/pls/imis/sicsearch.html">https://www.osha.gov/pls/imis/sicsearch.html</a> and search by keyword(s): (e.g., metal recycling, etc.) <u>OR</u> contact your insurance broker for your primary SIC code(s).</p>	<p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p>
<b>3</b>	<p><b>Do any of the Primary SIC Codes from Question #2 above match any of the regulated SIC codes listed on the Water Board website below?</b>  <a href="https://www.waterboards.ca.gov/water_issues/programs/stormwater/sic.shtml">https://www.waterboards.ca.gov/water_issues/programs/stormwater/sic.shtml</a> -</p> <ul style="list-style-type: none"> <li>• 02xx (Livestock-related)</li> <li>• 10xx-14xx (Oil and Gas Mining Facilities)</li> <li>• 20xx-39xx (Manufacturing Facilities)</li> <li>• 40xx-45xx, 5171 (Transportation facilities)</li> <li>• 4211-4225 (Storage Facilities)</li> <li>• 4911/4952/4953 (Utility and Refuse Facilities)</li> <li>• 5015/5093 (Recycling Facilities)</li> <li>• 5171 (Petroleum Bulk Stations)</li> </ul>	<p><u>Circle One</u></p> <p>Yes</p> <p>No</p>
<b>4</b>	<p><b>If you circled NO to Question #3, sign the Declaration of and return this form with your initial business license application or license renewal. Nothing more for SB205 is required of the business at this time.</b></p>	
<b>5</b>	<p><b>If you circled YES in Question #3, has the business already obtained an Industrial General Permit?</b></p>	<p><u>Circle One</u></p> <p>Yes No</p>

# SB 205 Stormwater Discharge Compliance

6	<p><b>If you circled YES in Question #5, provide the requested information regarding the existing Industrial General Permit. Sign the back of the page and return this form with your business license renewal.</b></p>	<p>WDID Application # _____</p> <p>WDID# _____</p> <p>NONA ID# _____</p> <p>NEC ID# _____</p>
7	<p><b>If you circled NO in Question #5, you need to enroll under the Stormwater Industrial General Permit (IGP) and provide the City with your permit numbers as described in Question #6 above.</b></p> <p>Sign and return this SB205 Stormwater Discharge Compliance Form with your business license renewal now. Start the process of obtaining the Industrial General Permit by contacting the State or Regional Water Board at the information listed below. <b>The City will issue you a 3-month provisional business license while you obtain the IGP and report the permit numbers to the City.</b></p>
